

30 November Parish Update

30 November 2022.

Dear Friends,

I hope you're well.

I want to provide an update from last weekend's parish newsletter. Our treasurer, Don Bonenfant, reached a representative of Enbridge Gas today. It seems that a couple of weekends ago, they made a mistake: They gave a figure for our upcoming gas bills which is too high. Our projected gas bill will be a much more reasonable \$425/ month (an increase of \$1260/ year -- far less than the original projected increase of \$5000 or so!).

A small task group is being formed to look at energy and cost savings within the parish, and we expect that group will still undertake its work. We will keep parishioners informed. Don will be keeping a close eye on our gas consumption, and the bills we receive.

Blessings, in Jesus Christ,
Peter Armstrong
